

# FOUNDATIONS OF LEADERSHIP

FEATURING **Jon Wampler** Consultant and former CEO of PacifiCare California

## ETHICS: GUIDING PRINCIPLES FOR FUTURE LEADERS

**Friday, October 26, 2012 at 12:00 p.m.**

Vision and values are the foundations of successful leadership. Developing your foundations is the first step on the path to your future. Jon Wampler, a leading member of UC Irvine's CEO Roundtable, will show us how a fundamental sense of integrity is critical to being a great leader. This interactive session will explore ethical thinking and creative resolution and help you to empower yourself and others to succeed.

**Jon Wampler**, Past President and CEO of PacifiCare of California, is now using his vast knowledge of the healthcare industry in his own consulting company, JRW Consulting. He is actively involved in community service, and has received UCI's coveted Lauds and Laurel Award for his major contributions to the campus, including membership in the UCI Foundation Board of Trustees. He frequently serves as a guest lecturer at universities to speak on ethics and the importance of ethical behavior in corporate America.

**LOCATION: Graduate Resource Center (GRC), Student Center C114**

**ALL GRADUATE STUDENTS AND POSTDOCS
