

## POLICY ON SUPPLEMENTS TO DIVERSITY FELLOWSHIPS: January 2008

### ENTERING STUDENTS

#### Eugene Cota Robles (ECR) – Years One and Four

- The ECR Fellowship will cover the fees during the fellowship years.
- ECR awards require the department to supplement the fellowship at a minimum of 20% of the value of the stipend, but the total must be equal to or higher than the normal departmental stipend. The following additional requirements apply:
  - The supplement may consist of funds from one or a combination of sources
  - In **year one** the supplement shall come from **block funds and/or GSR or GSAR appointment at  $\leq 24\%$ ; ( $\geq 25\%$  by exception only)**. Teaching appointments will be considered by exception only, and only at  $\leq 24\%$ .
  - Years two and three the department is required to support the student.
  - In **year four** the supplement may consist of funds from one or a combination of sources, including **block funds and GSR appointments at  $\leq 24\%$ ; ( $\geq 25\%$  by exception only)**. Teaching appointments will be considered by exception only, and only at  $\leq 24\%$ . They must be approved by the Graduate Dean.

#### Graduate Opportunity Fellowship (GOF) – Year One

- The GOF fellowship will cover the fees during the fellowship year.
- GOF awards require the department to supplement the fellowship at a minimum of 20% of the value of the stipend, but the total must be equal to or higher than the normal departmental stipend. The supplement may consist of funds from one or a combination of sources.
  - The supplement shall come from **block funds and/or GSR or GSAR appointments at  $\leq 24\%$ ; ( $\geq 25\%$  by exception only)**. Teaching appointments will be considered by exception only, and only at  $\leq 24\%$ . They must be approved by the Graduate Dean.

### CONTINUING STUDENTS

#### President's Dissertation Fellowships (Pre-Doc): Dissertation Year

- The Fellowship will cover the fees during the fellowship year.
- Dissertation Year awards require the department to supplement at a minimum of 20% of the value of the stipend, but the total must be equal to or higher than the normal departmental stipend.
- The Fellowship shall be supplemented by one or a combination of sources as follows:
  - **GSR appointment at  $\leq 24\%$ ; ( $\geq 25\%$  by exception only to be approved by the Graduate Dean), or block funds.**

#### Faculty Mentor Award: Continuing Students

- The Award will cover the fees during the fellowship year.
- Faculty Mentor awards require the department to supplement at a minimum of 20% of the value of the stipend, but the total must be equal to or higher than the normal departmental stipend. The supplement may consist of funds from one or a combination of the following sources: **block funds, GSR appointment at  $\leq 24\%$ ; ( $\geq 25\%$  by exception only), TAsip at  $\leq 24\%$ .**
