<sup>1</sup>Students who, for various reasons, are classified as nonresidents of California, as well as undocumented students, may be eligible for AB540 status. <sup>2</sup>Deferred Action for Childhood Arrivals (DACA) provides certain undocumented young people with work authorization for a period of two years, subject to renewal.

<sup>3</sup>Domestic: Citizen, Permanent Resident or an individual not in possession of nonimmigrant visa.

<sup>4</sup>California Dream Act provides provisions that allow students who meet AB540 criteria to be eligible for UC and California aid programs. <http://ucop.edu/student-affairs/files/dream-act/ca-dream-act-uc.pdf>

<sup>5</sup>Independent DACA students who cannot qualify for AB540 status should be encouraged to seek state residency, since as state residents they will no longer be subject to paying Non-Resident Supplemental Tuition. DACA students who qualify for AB540 status should not seek to be classified as state residents, as they will lose their eligibility for institutional grants and fellowships by doing so because state residents cannot qualify for AB540 status. <http://ucop.edu/general-counsel/files/ed-affairs/uc-residence-policy.pdf>
