STATEMENT OF INTENT TO REGISTER (SIR)

FOR GRADUATE STUDENTS

APPLICANT INSTRUCTIONS

Please complete and submit this form to UCI's Graduate Division (see address above) to indicate whether you intend to register at UCI. Submit this form only if you have been offered admission to a graduate program at UCI. It is in your best interest to submit this form as soon as possible because the Graduate Division can not formally admit you until you have informed us that you intend to register. Once you inform us that you intend to register (by submitting this completed form), we can prepare administratively for your arrival, which will prevent you from wasting your valuable time upon arrival at UCI (e.g., you may register for classes only after you have been formally admitted). Please print legibly. NOTE: even if you have informed your home department that you plan to register, you still should complete and submit this form to the Graduate Division -- we cannot formally admit you until we receive this completed form.
