Education

Undergraduate Education (University, year, major)

Graduate Education (University, year, major)

Post-doc(s) *if applicable*

Area(s) of research expertise

One of the activities in PREPP requires you to prepare and teach a class session to lower division students and upper division students. What course(s) do you think you'd be able to teach (generically speaking, not specific course titles or name – e.g. biology, biomedical engineering, chemistry, health disparities, health science, kinesiology, psychology)?

UCI Research Mentor Name _____

UCI Research mentor e-mail _____

UCI Research mentor phone _____

Application Checklist:

- PREPP Fellow Application (this form)
